Lord Bouquet Chandelier by **Niclas Hoflin** for **Rubn**.

The Lord Bouquet Chandelier, designed by Niclas Hoflin for Rubn, offers a contemporary interpretation of the traditional chandelier. It features four minimal spherical forms suspended by spun metallic caps arranged around the central stem to provide generous lighting. The dimmable LED light sources softly diffuse through the glass shades, ensuring a gentle and even distribution.

The chandelier is available in several finishes and three height options. The two taller versions of the chandelier are height-adjustable, providing flexibility to suit your requirements.

All Rubn lamps are manufactured by hand in Sweden, with great attention paid to detail, functionality, and aesthetics.
