

Dante Backpack

Manufacturer: **Sandqvist**

£125

DESCRIPTION

Dante Backpack by **Sandqvist**.

The Dante backpack, designed by Stockholm-based Sandqvist, fuses function with minimalist elegance. Produced in water-resistant 100% recycled polyester with smooth leather detailing, the practical design features a rolltop opening with zip closure and a 16" laptop pocket. With adjustable shoulder straps to maximise comfort, tailoring the design to the wearer, the Dante backpack is ideal for everyday use.

Its capacity expands from 16L to 23L when filled without the top rolled.
