

Marta Rucksack

Manufacturer: **Sandqvist**

£135

DESCRIPTION

Marta Rucksack by **Sandqvist**.

The versatile Marta backpack doubles as a tote bag maximising its practical use. Produced by Stockholm-based Sandqvist, the functional design features shoulder straps that neatly tuck into a slip pocket when not in use. Made with recycled nylon and smooth leather detailing, the backpack has a front slip pocket, ideal for carrying a yoga mat and an internal 13" laptop compartment.

Capacity 14L

Main compartment: 33w x 13d x 41cmh

Laptop pocket: 31w x 2d x 22cmh

Inner slip and zipper pocket.

Adjustable straps.

Part of the Fusion collection.

DIMENSIONS

33w × 13d x 41cmh
13L capacity

MATERIALS

Made with wrinkled twill made from 100% recycled nylon. The nylon fibers are durable, with an excellent strength to weight ratio.

The lining is made from 100% recycled polyester taffeta.

Details in high-quality leather.
