DESCRIPTION

Sture Weekend Bag by Sandqvist

Sture is a roomy weekend bag crafted using a blend of organic cotton and recycled polyester. It doubles as an ideal overnight carrier with a capacity of up to 47 litres, perfect for use as a carry-on. With convenient interior pockets, it ensures easy access to keep your essentials close at hand.

DIMENSIONS

48w x 26d x 31cmh

47 litres capacity

MATERIALS

Made with 65% organic cotton and 35% recycled polyester. Lined with 100% recycled polyester taffeta.

Functional zipper pockets

Removable and adjustable shoulder strap

The canvas is unwashed and might gradually develop a weathered charm, resulting in a one-of-a-kind bag. Take caution with light-coloured garments as some colour transfer may occur due to friction, sweat, or exposure to water.
