DESCRIPTION

Sylvestrina Table Lamp by **Enric Sòria & Jordi Garcés** for **Santa + Cole**.

The Sylvestrina Table is a versatile and durable lighting solution that operates without the need for oils, kerosene, or cords. Instead, it is powered by a highly efficient rechargeable battery, providing convenience for all occasions. To activate the switch, simply press down on the outer tube and adjust the brightness to your preference—whether it's full, medium, or completely off. This innovative table lamp charges through induction, and its illumination truly emulates that of a traditional oil lamp.
