DESCRIPTION

Fad Fija Floor Light by **Miguel Mila** for **Santa + Cole**.

Miguel Mila's Fad floor light was originally designed for the offices of the Fostering Arts and Design Association (FAD) in Barcelona. It has a timeless and classic modern design that sits equally happily in contemporary and more traditional interiors.

A hollowed cylindrical oak structure creates a vertical symmetry that gracefully supports a white linen shade. The cross-shaped legs that recall other classics by Miguel Milá, share the same dimensions as the shade's lower circumference.
