Fontana Alta Floor Lamp by **André Ricard** for **Santa + Cole**.

Introduced by Santa and Cole in 2021, the Fontana Alta floor lamp extends the Fontana family, joining the Fontana Pendant designed by André Ricard in 1970.

The collection takes its name from the artist Lucio Fontana, founder of the art movement Spatialism and best known for his artworks of slashed monochromatic canvases. The lampshade of the Fontana light takes inspiration from these three-dimensional art forms, featuring a slit that emits an indirect diffused light.

The dimmer switch is located on the top of the shade, allowing the light to be easily adjusted.
