

Cirio Circular, 2010

Designer: **Antoni Arola**

Manufacturer: **Santa and Cole**

~~Was £5,268~~ Now £4,477

DESCRIPTION

Cirio Circular pendant lamp by **Antoni Arola** for **Santa & Cole**.

The idea behind the Cirio light was to combine the feel of a traditional bulb socket with the new technology of built-in LED. The Cirio Circular is a large pendant with a round structure that allows circles with different diameters to produce a range of formats. When combined, these circles create a rich play on composition.

Please note - pricing example includes a circular dimming system (DALI / DSI / SWITCH DIM), please **enquire** for other dimming systems available.

The Cirio range includes a range of other models and configurations, please see the 'Products range' below or **enquire** for details.

DIMENSIONS

White opal glass shade: 11dia x 21cmh

White porcelain shade: 10dia x 21cmh

Brass shade: 11dia x 21cmh

Small (12 shades): 130cm diameter

Medium (28 shades): 300cm diameter

Large (42 shades): 520cm diameter

MATERIALS

The Cirio Circular is available in the models Small (12 shades) Medium (28 shades) and Large (42 shades).

The individual shades are available in three different finishes that all offer a different feel - porcelain shade that creates a candle-like warmth, translucent opal glass and the opaque elegance of brass.

The shades are suspended from a black metal structure.

Lightsource (included): built-in LED 3.7W (per individual lamp).
