Sempé w103b table lamp, 2010

Designer: **Inga Sempé**

Manufacturer: **Wastberg**

£648

Made to order

## DESCRIPTION

**Sempé w103b table lamp** by **Inga Sempé** for **Wastberg**.

'This elementary lamp is meant to be as simple and solid as a nail or a push pin. As with traditional tool machine lighting, the mechanics are sturdy and long-lasting, with the aim of improving classical industrial elements. The lamp mixes solidity and lightness: a thin beam joins the two opposite pieces of the lamp: the heavy cast foot to a delicate shade. Its silhouette and its various positions bring to mind a small umbrella'. Inga Sempé

Sempé w103b has a cast base that allows the lamp to be mounted in three different positions. Adjustable shade. The lamp combines solidity and lightness: a thin stem joins a heavy cast foot to a delicate shade. Warm white LEDs with optical lens and glare protecting reflector.

## DIMENSIONS

28dia x 50cmh

## MATERIALS

Made from aluminium and cast iron, the w103b is available in the colours jet black, beige red, reed green, or traffic white.

Bulb: 8W LED (included)
