

## Sempé w103s1 Pendant Light

Designer: **Inga Sempé**

Manufacturer: **Wastberg**

£426

### DESCRIPTION

**Sempé w103s1 Pendant Light** by **Inga Sempé** for **Wastberg**.

'A Sempé w103 pendant lamp can be a single hanging shade or a combination of shades. They can be attached on a long rail for linear combinations or on smaller rails, where they can be joined together like Meccano to create polygons. The rail structure is thin enough to avoid the feeling of a heavy, hanging structure, and the lines are also softened by the round shapes of the shades. These exist in 7 very different tones - bright, soft, clear, dark - and can be arranged in any colour combination.

Two elements of the w103 range table lamp are used in the suspended lamps: the shade is identical and the hook of the clamp is moved to the top of the shade. This then becomes the assembly piece of all the various shade combinations'. Inga Sempé

Dimmable warm white LED with glare-protecting shade and diffuser.

### DIMENSIONS

28dia x 13.5cmh

## MATERIALS

Made from steel and cast iron, available in a range of colours. 3m cable included.

Bulb: 1-6W LED
