DESCRIPTION

Seoul table mobile by Volta Paris.

Formed in 2015 by brothers Otxo and Mario Conti, Volta is a Parisian brand dedicated to the design and production of visually interesting and unique mobiles. All of Volta's products are handmade in small batches in an environmentally friendly way in their atelier in Barcelona, Spain.

The Seoul table mobile is mounted on a steel base and has hand-bent steel rods. The blades are made from aluminium alloy and gently twirl and spin with wind and air circulation.

This mobile has a minimalist design and a pastel colour palette. The compact size makes this mobile suitable for a desk or shelf and its beauty is enhanced by its subtle movement, enabled by precise forms and balance.

Packed in a compact box, set with Volta's logo in gold leaf, the Seoul table mobile is an ideal and unique gift for a loved one.
