DESCRIPTION

Ball Vase by **Anita Le Grelle** for **Serax**.

Anita Le Grelle creates ceramics in the form of tableware, kitchen and bathroom accessories, vases, herb pots, and lamps through her Terres de rêves line for Serax. Her ceramics are characterized by their refined appearance and different layers of glaze, which are inspired by natural shades that reference the earth, sky, and ocean.

The Ball Vase is crafted from high-quality stoneware ceramic and features a unique round shape that adds a touch of refined whimsy to any room. Its compact opening makes it ideal for displaying small flowers and buds, while its smooth finish creates a sophisticated look.

Available in four different colours and sizes, group the vases in clusters for a dynamic display.
