DESCRIPTION

Jars Terracotta Flower Pot by Serax.

Bring a touch of nature indoors with the Jars Terracotta Flower Pots, a sleek and modern planter with bright and glossy finishes. Crafted from high-quality stoneware, Jars is perfect for displaying your favourite plants, succulents, or herbs, with a range of generous sizes allowing ample room for growth.

DIMENSIONS

Small: 22dia x 19cmh

Medium: 25dia x 24cmh

Large: 30dia x 28cmh

Extra large: 35dia x 33cmh

MATERIALS

Stoneware.

Please note: Jars are an indoor plant pot.

Although treated with a thin waterproof coating on the inside, this does not guarantee 100% watertightness. Therefore, we recommend you place the plant in a plastic pot + saucer. Cracks can form if the plant is planted directly in the pot.

Small available in green. Medium available in yellow and orange. Large available in yellow and blue. Extra large available in yellow.
