

## Concrete round plant pot

Designer: **Marie Michielssen**

Manufacturer: **Serax**

£31

## DESCRIPTION

**Concrete Round Plant Pot** by **Marie Michielssen** for **Serax**.

This simple planter has a cylindrical form with contrasting beam-shaped handles. A part of Marie Michielssen's Urban Jungle collection, the graphic vessel is constructed in natural grey concrete, creating a pleasing contrast with the organic form of the plant it intends to hold.

Available in four practical sizes.
