The Applique Pivotants is a stunning wall-mounted lamp inspired by Serge Mouille's original Three-arm floor lamp. This sleek wall sconce preserves the sculptural beauty and kinetic movement of its predecessor, boasting a unique shell-shaped shade mounted on a slimline arm.

With tiltable heads that can be rotated up, down, and around in a 270° rotation, the Applique Pivotants can be easily adjusted to provide both ambient and direct lighting. The multiple-arm variations can be independently rotated to achieve the desired lighting effect in any space.
