DESCRIPTION

Rotating wall lamp, 5 rotating arms by Serge Mouille for Serge Mouille Editions.

The Applique Pivotants is a stunning wall-mounted adaptation of the iconic Three-arm floor lamp created by renowned designer Serge Mouille. This sleek and sculptural wall sconce retains the original aesthetic and kinetic quality of its predecessor, featuring a shell-shaped shade attached to a slimline arm.

With tiltable heads that can be articulated up, down, and around in a 270° rotation, the Applique Pivotants offers both ambient and direct lighting options. The multiple-arm variations can be rotated independently, making it easy to position the light exactly where you need it.

Crafted with Mouille's signature refined lines and six-sided hardware, the rotating wall lamp features a brass swivel connector that joins the arm to the diffuser. Each lamp is stamped and numbered and comes with a certificate of authenticity, ensuring its quality and authenticity.
