DESCRIPTION

Plafonnier 2 Bras Fixe by **Serge Mouille** for **Serge Mouille Editions**.

Plafonnier Pivotants was developed by Serge Mouille after the success of his earlier floor light, **Lampadaire 3 Bras Pivotants**. Like many of Mouille's lamps of this era, the rotating ceiling light has a kinetic quality, conjuring a sense of movement. Characterised by its sculptural aesthetic, the lamp features shell-like shades and delineated arms.

Designed in 1955, the "Araignee" or the Spider ceiling lamp is available in black or white, the perfect addition to refine your interior with its unparalleled design. The interior of the reflectors features a shiny white coat. The lamp also allows a rotation of up to 270 ° and an inclination of up to 55 °.

Bulbs (included): 3 x 42W max, E27, 230V, 50Hz (3 arms)
5 x 42W max, E27, 230V, 50Hz (5 arms)
