DESCRIPTION

No 7 Bar Stool High by **Anna & Ditlev Sibast** for **Sibast**.

The No 7 Bar Stool is a sophisticated barstool that draws inspiration from the iconic Sibast No 7 dining chair, a design by Helge Sibast in 1953. This contemporary rendition pays homage to the Danish Modern movement, capturing its essence and lines. Derived from the distinctive features of the Sibast No 7, including the expansive moulded backrest and gracefully tapered back legs, the dining chair has been reimagined into the striking and generous Sibast No 7 bar chair.

Enhanced with an upholstered seat and a spacious backrest, the bar chair offers exceptional comfort. Available in two heights, it seamlessly complements both private residences and commercial spaces such as restaurants, bars, and hotels.
