### DESCRIPTION

**No 7 Lounge Chair by Anna & Ditlev Sibast for Sibast.**

Inspired by Helge Sibast's classic No 7 dining chair of 1953, this distinctive lounge chair is designed by Ditlev Sibast, continuing the legacy of high-quality craftsmanship and design established by his grandfather. Collaborating with his wife, Anna, Ditlev masterfully transforms the original dining chair into a lounge chair, maintaining a strong connection through features such as the generously moulded backrest and subtly tapered back legs. The design boasts laid-back comfort and a minimalist expression, reflecting the enduring beauty of the Danish Modern movement.

Rooted in the Sibast family's commitment to meticulous attention to detail, the Sibast No 7 Lounge is a bold and extraordinary piece. This lounge chair is available in both a seat upholstered and a fully upholstered version. The chair is also available in two exclusive editions featuring luxurious sheepskin on both the seat and back.
