DESCRIPTION

No 7 Dining Chair by **Helge Sibast** for **Sibast**.

Helge Sibast's timeless dining chair, designed in 1953, exudes a distinctive charm and daring design. Renowned as a skilled cabinetmaker and furniture designer, Sibast not only conceived but meticulously handcrafted each piece, frequently pushing the boundaries of traditional woodworking techniques. The chair's iconic moulded backrest stands out as a defining feature, not only infusing the chair with a bold personality but also ensuring unparalleled seating comfort.

The gracefully tapered back legs add a touch of lightness and elegance to the design. Simultaneously, the seat construction rises above the legs, contributing to a clean and uncomplicated aesthetic. Sibast No 7, an original dining chair with enduring allure and craftsmanship, is crafted using wood sourced from FSC-certified forests.
