R. Wengler stands as a true pioneer of wicker furniture design. Wengler on many of their prototypes at his Copenhagen workshop.

Produced by Sika as part of the Icons range. With the utmost respect to the original designs, Sika has put the chairs of Arne Jacobsen, Nanna & Jørgen Ditzel, Viggo Boesen and R. Wengler back into production. Significant names in Danish design history, they remain important for their groundbreaking creations and experimental use of materials. In their own way, each designer performed magic with the sturdy qualities of rattan and wicker.

Founded in 1940 by Ankjær Andreasen, Sika Design remains a family-run business producing handmade wicker furniture. The company focus on comfort, quality and sustainability in all design and manufacturing processes.
