DESCRIPTION

Drachmann Outdoor Bench by **Bernt Santesson** for **Fritz Hansen**.

The Drachman family of outdoor furniture was designed over 30 years ago and is a popular design icon. The X on the backrest is a feature that has influenced many followers.

Inspired by the home of Danish poet and artist Holger Drachmann, the eponymous solid teak or white FSC Sapelli armchair features a slatted seat and backrest with cross-detail.

The Drachmann series of outdoor furniture brings an essence of Scandinavia to your outdoor space.
