

Picnic Stool

Designer:**Herman Studio**

Manufacturer:**Fritz Hansen**

£289

DESCRIPTION

Picnic Stool by **Herman Studio** for **Fritz Hansen**.

The Picnic stool was designed by Herman Studios to complement their Picnic table but it also sits well with other outdoor furniture.

The minimalist stool is constructed from aluminium making it lightweight and easy to transport, while the stackable design means it takes up very little space when not in use, ideal for balconies or terrace gardens.

Rubber glides prevent scratches when stacking.

Care: This stool is usable in all weather conditions, although it is recommended to be stored in an unheated room such as a garage or cellar during the winter months.

DIMENSIONS

39.5 x 39.5 x 44.5cmh
