

Pelagus Table, 2021

Designer:**Note Design Studio**

Manufacturer:**Fritz Hansen**

£3,599

DESCRIPTION

Pelagus Table by **Note Design Studio** for **Fritz Hansen**.

When the collaborative team of architects and designers at Note Design Studio were seeking inspiration for their Fritz Hansen Pelagus collection, they had to look no further than the nearest pier in Stockholm to set the mood for the range. Versatile, spontaneous, and laidback, Note Design Studio intended for the furniture to be ready for action - and more importantly - inaction.

Evoking the archipelago of their home, the name 'Pelagus' also alludes to the ancient Greek word to meaning deep blue sea. The collection has been designed to suit lifestyles as diverse as those in the Stockholm archipelago - both cosmopolitan and urban, whilst also low-key and grounded in nature.

A simple yet elegant outdoor table from Fritz Hansen, the Pelagus table is perfect for outdoor living. The table features FSC certified teak tabletop with an aluminium frame making it a great choice for outdoor use.

The table also comes with an optional table extension plate to increase the size of the table to fit more people.

Pair it with the rest of the Pelagus collection to complete your summer outdoor set-up.

DIMENSIONS

Table: 214w x 90.5d x 74cmh

Extension plate: 50.5w x 90.5d x 4cmh
