DESCRIPTION

Solid cylinder downlight by **Terence Woodgate** for **Case**.

A pure cylindrical form, crafted from solid marble. The rounded inner edge at the shade base is a design signature of the Solid collection.

As solid marble is a natural material the grain will vary from piece to piece, making each shade body unique.

Solid is designed with effective thermal cooling for LED performance and longevity. A unique support design enables the fitting to be adjusted so that it hangs completely vertical and true. The light provides a direct even beam with low glare.
