DESCRIPTION

CL5 Ceiling Lamp by **George Sowden** for **SOWDEN**.

George Sowdens CL5 Ceiling Light is a vibrant addition to any room. With its colourful and playful design, the light instantly brings personality and a cheerful atmosphere to its space.

As a part of the SHADES collection, the lamp carries the same aesthetic qualities as the rest of the range. It is made of a soft, non-toxic, easy-to-clean silicone that diffuses light while maintaining its aesthetic attributes over time.

As a result of the light's unique graphic proportions and colourway, the lamp offers a soft and comfortable expression that stands out even when switched off.
