

Steelwood Stool

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Magis**

£380.83

DESCRIPTION

Steelwood Stool by Ronan + Erwan Bouroullec for Magis.

As the name suggests, Steelwood combines solid wood with steel. With every joint and component clearly visible, Steelwood brings an industrial essence to any given space.

Steel seat and footrest available in powder coated white, red, black, grey, or anthracite grey finish. Solid beech legs in a natural finish, or painted white, red, black, grey, or anthracite grey finish. Oak legs in dark or natural finish. American walnut legs are available in natural finish. See product images for colours.

DIMENSIONS

Medium 30w x 38d x 68cmh

High 30w x 39d x 78cmh

MATERIALS

Legs in solid beech (natural or painted), solid American walnut (natural) or solid oak (natural). Seat and foot-rest in steel sheet painted in polyester powder. Felt glider included
