

String Media Shelf

Designer: **Nisse Strinning**

Manufacturer: **String**

~~Was £200~~ Now £170

DESCRIPTION

Media shelf by **Nisse Strinning** for **String**.

The minimal media shelf from String is designed to help organise your cords and cables by letting them disappear behind the shelf without the risk of getting pinched between the wall and shelf. Equally, the media shelf can easily be turned into a workspace, or side table.

Each packaging contains one media shelf, one ledge to place against the wall to stabilise the media shelf along with brackets. The shelf is available in anthracite or white and fits into wire panels from String® System with depth 30 cm.

The String shelving system offers endless combinations suitable for any room and usage, please see 'More products in this range' below, and use the building tool to design your ideal configuration [here](#).

Once you are happy with the result, email the pdf to your email address and order the quantities as listed with our showroom.

If you need any help or advice with this highly flexible system, please contact us [here](#). You will also find a pricelist of the full String range available to download in 'Product downloads'
