

String System Outdoor

Designer: **Nisse Strinning**

Manufacturer: **String**

£226.67

DESCRIPTION

String System Outdoor by **Nisse Strinning** for **String**.

The iconic String System is now available in an outdoor version. Designed and manufactured in Sweden, the outdoor String System is designed for rough Scandinavian weather and can withstand any weather. Store your garden tools, pots or other objects while making your garden look modern and sophisticated. See the shelves evolve splendidly as it develops a beautiful patina over time.

The outdoor system is available in eight different ready-made configurations but the system can also be customised according to your needs.

The String shelving system offers endless combinations suitable for any room and usage, please see 'More products in this range' below, and use the building tool to design your ideal configuration [here](#).

Once you are happy with the result, email the pdf to your email address and order the quantities as listed with our showroom.

If you need any help or advice with this highly flexible system, please contact us **here**. You will also find a pricelist of the full String range available to download in 'Product downloads'
