

String System Living Room D

Designer: **Nisse Strinning**

Manufacturer: **String**

£1,231

DESCRIPTION

String System Living room D configuration by **Nisse Strinning** for **String**.

The String System is a robust and versatile shelving system offering different shelves depths, which can be combined and enriched with separate filing or display cabinets, magazine racks, table, drawers, desk, etc. modules.

The Livingroom D configuration is an elegant storage solution for modern contemporary homes and features a clean wall-hung sideboard providing plenty of storage possibilities.

The String shelving system offers endless combinations suitable for any room and usage, please see 'More products in this range' below, and use the building tool to design your ideal configuration **here**.

Once you are happy with the result, email the pdf to your email address and order the quantities as listed with our showroom.

If you need any help or advice with this highly flexible system, please contact us **here**. You will also find a pricelist of the full String range available to download in 'Product downloads'
