Designer: **Nisse Strinning**

Manufacturer: **String**

~~Was £112~~ Now £95

DESCRIPTION

String System bowl shelf, part of the String System shelving system by **Nisse Strinning** for **String**.

The white abs plastic bowl shelf is a convenient hold-all, whether for cutlery or these items that need to remain at hand.

The String System is a robust and versatile shelving system offering different shelves depths, which can be combined and enriched with separate filing or display cabinets, magazine racks, table, drawers, desk, etc. modules.

The String shelving system offers endless combinations suitable for any room and usage, please see 'More products in this range' below, and use the building tool to design your ideal configuration [here](#). For ideas, please visit the String inspiration [page](#).

Once you are happy with the result, email the pdf to your email address and order the quantities as listed on your document.

If you need any help or advice with this highly flexible system, please contact us. You will also find a price list of the full String range available to download in 'Product downloads'.
