

## String System Workspace H

Designer: **Nisse Strinning**

Manufacturer: **String**

£369

### DESCRIPTION

**String System Workspace H configuration by Nisse Strinning for String.**

The String System is a robust and versatile shelving system offering different shelves depths, which can be combined and enriched with separate filing or display cabinets, magazine racks, table, drawers, desk, etc. modules.

This configuration is a great workspace solution, whether it is for home or office use, offering an 80cm wide table with shelves giving you plenty of room for your supplies without taking up too much space.

The String shelving system also offers endless combinations suitable for any room and usage, please see 'More products in this range' below, and use the building tool to design your ideal configuration [here](#). For ideas, please visit the String inspiration [page](#).

If you need any help or advice with this highly flexible system, please contact us. You will also find a price list of the full String range available to download in 'Product downloads'.
