DESCRIPTION

String Tiny cabinet by **Nisse Strinning** for **String**.

The Tiny cabinet was originally created in 1949 by the Swedish designer Nisse Strinning. The super-slim walnut profile and tidy flip door emphasises its calm minimalist style. The cabinet fits together with all 30 cm deep wire panels from String System and can be placed on top of a shelf or cabinet and attached to either wire panel.

String Tiny cabinet is part of the String System, a robust and versatile shelving system offering different shelves depths, which can be combined and enriched with separate filing or display cabinets, magazine racks, table, drawers, desk, etc. modules. The cabinet is delivered flat-packed, assembly needed.

The String shelving system offers endless combinations suitable for any room and usage, please see 'More products in this range' below, and use the building tool to design your ideal configuration **here**.

Once you are happy with the result, email the pdf to your email address and order the quantities as listed with our showroom.
