

## Ghost ornament

Manufacturer: **Studio Arhoj**

£19.50

## DESCRIPTION

**Ghost decorative object by Studio Arhoj.**

Inspired by the Japanese Shinto belief that everything in nature has a soul - from a plant to a pebble on the beach - Louise Gaarmann & Anders Arhoj have designed these ceramic figures to animate your home.

Small yet possessing a definitive presence, Ghosts can be used as paperweights, door stops, toys, ring holders or simply as decorative objects.

Each Ghost is unique, hand-thrown in earthenware, hand-glazed, hand decorated and low-fired in the kiln three times.

Please note that the design and manufacturing process means that each Ghost has its own unique colour and pattern, supplied at random; enjoy surprising or being surprised.

## DIMENSIONS

Approx. 9-11cmh

## MATERIALS

Hand-glazed earthenware.
