

Arhoj Incense

Manufacturer: **Studio Arhoj**

£8

DESCRIPTION

Arhoj Incense by Studio Arhoj.

Experience the delightful scents of Arhoj incense, handcrafted by a family-owned company in Maine, USA, since 1931. Each stick is carefully made with natural and eco-friendly ingredients, offering a subtle yet powerful fragrance without artificial or chemical additives.

Choose from Cedar Wood, Hinoki, Lavender, or Sandalwood scents, each with a unique packaging design. Elevate the experience with an Arhoj incense holder, creating a stylish and efficient way to infuse any space with an enticing aroma.

DIMENSIONS

Approx. 26cmh

Each pack contains 10 sticks.

MATERIALS

Made from 100% natural ingredients.

Cedar Wood: Refreshing, relaxing and clean scent of cedar trees.

Hinoki: A holy wood in Japan used to create a calm, reflective and sacred space.

Lavender: Fresh and calming scent of lavender flowers.

Sandalwood: A calming and woody scent.

To stop the stick from burning, dip the tip in a small amount of water. Can be used again once dried.

Please note: Never leave burning incense unattended or in a breezy window. Keep out of reach of children, pets and flammable items.
