

Kit whale bookmark, 2012

Designer: **Studio Macura**

£13

DESCRIPTION

Kit whale bookmark by **Studio Macura**.

A decorative bookmark in the form of a whale, made using 3D-printed polyamide. The use of 3D printing technology allows the creation of a minutely detailed form that is lightweight and elegant while remaining durable and functional.

Available in black and red.

DIMENSIONS

3w x 1.2d

MATERIALS

3D printed polyamide.

A fabric cord attached to the whale serves as a place marker, allowing the whale to perch on top of your book.
