

Lava Glass Vase, 2014

Designer: **Studio Macura**

£29

DESCRIPTION

Lava Vase by **Studio Macura**.

An elegant glass vase designed to hold a single flower. A ball of natural pumice stone held in the vase rises and falls with the water level.

A 1cm hole drilled through the centre of the pumice holds a single flower or branch in an upright position for a minimal and perfectly balanced flower arrangement.

DIMENSIONS

7dia x 20cmh

MATERIALS

The vase is made of clear borosilicate glass with natural pumice stone.
