

Hammer Bottle Opener

Manufacturer: **Sumitani**

£24

DESCRIPTION

Hammer Bottle Opener by **Sumitani**.

Inspired by the form of a ball-peen hammer, this bottle opener is crafted from cast iron, introducing a touch of almost medieval functionality to your upcoming drink session. The hammer's head features a purposefully shaped hole, perfect for effortlessly popping bottle tops as quickly.

DIMENSIONS

7.8w x 1.5d x 17.2cmh, 223g

MATERIALS

Made of Cast Iron.
