DESCRIPTION

Wild Sea Notecards by **Superfolk**.

Superfolk's range of products are inspired by outdoor living and the natural world and are crafted using the finest natural materials and time-honoured techniques.

This boxed set of notecards features prints of wild and edible seaweeds of the Irish coastline made by Superfolk founder, artist and printmaker Jo Anne Butler at their studio in County Mayo, Ireland.

Butler's trademark rich use of colour and bold graphic form lend a modern edge to traditional botanical illustration, resulting in a set of cards that will delight beachcombers, naturalists and design enthusiasts alike.
