

Supporto High Wide Back chair, 1979

Designer: **Frederick Scott**

Manufacturer: **Supporto**

£1,641

DESCRIPTION

Supporto High Wide Back chair designed by **Frederick Scott** for **Supporto**.

Ergonomic office chair that is both elegant and robust. The iconic Supporto chair was designed in 1980 and has become a classic of 20th Century British design.

The five star base can be supplied with either **soft castors for hard floors**, **hard castors for carpeted floors**, or with **glides**. Seat height is adjustable via a pneumatic safety spring that can be locked in any position.

Please note: the pricing is for the Supporto High Wide Back. The Supporto Low Wide Back is also available.
