DESCRIPTION

Surface Table by Terence Woodgate + John Barnard for Established + Sons.

A collaborative effort from furniture designer Terence Woodgate and Formula 1 racing car designer John Barnard, comes the modern and slim Surface Table. To manipulate the materiality and strength of carbon fibre, the dining table is constructed through state-of-the-art auto-sport technology.

Visually light yet sturdy, the Surface table is a sleek addition to the dining space. This slim and seamlessly designed dining table features reflective qualities and soft round details. 'The table being compared to a work of that importance made me realise that the reflection in the finish is extraordinary in its own right', Terence Woodgate.

Available in black in high gloss and matt lacquer.
