

Lamino Easy Chair, 1956

Designer: **Yngve Ekström**

Manufacturer: **Swedese**

£1,369

DESCRIPTION

Lamino Easy Chair by **Yngve Ekström** for **Swedese**.

Combining natural materials with meticulous craftsmanship, Swedese's Lamino Easy Chair is characterised by its wide seat, high back, and gently curved frame. With a softly angled back, the chair offers exceptional comfort to its user and is ideal for achieving a moment of relaxation.

The seat was initially designed in 1956 by Yngve Ekström, the founder of Swedese, and has remained in continuous production ever since.

It is considered a Swedish design classic, achieving the title "Swedish furniture design of the twentieth century" from the influential Swedish magazine Sköna Hems.

The Lamino family side table can be purchased separately.
