Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first order, first served basis.

Designed to accompany the **Lamino easy chair**, the Lamino stool shares the same characteristics as its partner. Defined by its gently curved frame, the stool combines natural materials with meticulous craftsmanship to deliver exceptional comfort.

The versatile stool can be used on its own for sitting or paired with the Lamino as a footstool for maximum relaxation.

The seat was initially designed in 1956 by Yngve Ekström, the founder of Swedese, and has remained in continuous

production ever since.

The Lamino chair is considered a Swedish design classic, earning the title "Swedish furniture design of the twentieth century" from the influential Swedish magazine Sköna Hems.

Please note: The stool available for purchase is in oiled oak with Scandinavian grey sheepskin, refer to first image and please **enquire** for more information.

DIMENSIONS
