

Tactile Sideboard

Designer: **Terence Woodgate**

Manufacturer: **Punt**

£3,390

DESCRIPTION

Tactile Sideboard by **Terence Woodgate** for **Punt**.

The Tactile sideboard, designed in 2008, conforms to the combination of high-quality workmanship and exquisite design that both Punt and the designer Terence Woodgate have become renowned for.

A wrap-around frame encloses the contrasting drawers and cabinets in a seemingly seamless wood exterior. The simple contrast between the wooden exterior frame and gloss for the recessed doors and drawers lends this piece an air of timeless modernity.

The interior is in brown textured lacquer RAL 8017.

DIMENSIONS

205w x 49.8d x 74cmh

MATERIALS

Exterior veneered with natural oak or walnut in a choice of super-matt, stained or textured lacquer finishes.
Anthracite lacquered interior.

Doors and drawers are available in wood veneer or texturised lacquer in the following colours: White and Black.

Doors and drawers are handleless, with a touch-open and soft-close system. Drawers have full extraction runners.

Pricing example is for a sideboard with three drawers and two doors as seen on main image. Also available configured with three doors only, four doors only, or three drawers and one door.

Note: This product arrives assembled. We advise you carefully review the dimensions before purchasing. If you require an access check, please get in touch with us [here](#).

Please enquire if you would like to receive the product with cable holes, as they do not come as standard.
