

## Tako Cushioned Armchair

Designer: **Naoto Fukasawa**

Manufacturer: **Maruni**

~~Was £3,278~~ Now £2,786

### DESCRIPTION

**Tako Cushioned Armchair** by **Naoto Fukasawa** for **Maruni**.

Machine-cut wood has been used to create the sculptural form of the Tako Cushioned Armchair. Seamless joints and a thin upholstered cushion are a few of the finer details in this expertly crafted chair.

### DIMENSIONS

60w x 56.4w x 79.5cmh

Seat height 44.9cmh

### MATERIALS

Made from oak or walnut.

Oak available in clear urethane, whitish urethane or urethane natural black.

Walnut available in clear urethane or urethane light brown.

The wood used in this product is obtained from oak or walnut trees in North America that are managed and felled in a planned manner.

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products.

Please use the links below for upholstered fabrics and leathers available in the UK collection.
