

Tanso Bench

Designer: **David Irwin**

Manufacturer: **Case Furniture**

£1,035

DESCRIPTION

Tanso bench by David Irwin for Case Furniture.

Elevate your outdoor area with the teak Tanso outdoor dining range designed by David Irwin, inspired by the simplicity of Japanese design.

The Tanso collection is well-crafted and built to last, giving it qualities to survive outdoors. It is weather-resistant and has a design also fit for use inside the home.

DIMENSIONS

116w x 55.3d x 80.5cmh

Seat height 67cmh

Cushion: 102w x 38d

MATERIALS

Grade-A teak, weather resistant for outdoor use.

Foam seat cushion upholstered in UV resistant Sunbrella ® fabric.

Teak is a durable timber with a high oil and resin content, meaning that it requires little amounts of care to keep looking its best. Over time the teak will start to change colour going from a rich golden colour to silver-grey. This is naturally how the timber ages in sunlight and weathering.
