

Teak outdoor chair, 2007

Designer: **Alberto Meda**

Manufacturer: **Alias**

£760

DESCRIPTION

Teak outdoor chair by **Alberto Meda** for **Alias**.

Utilising the natural weather resistance of solid teak wood, the Teak outdoor chair is a stackable, lightweight piece of garden furniture. Teak slats are fastened to a weather-resistant die-cast aluminium structure, with a graceful curvature for improved comfort.

The frame is available in a textured stove enamel finish in white.

Stackable to four chairs high.

2-year warranty included.

DIMENSIONS

48w x 59d x 47/84cmh

MATERIALS

Structure in stove-enamelled die-cast aluminium, in white. Seat and back in raw teak flats.
