

Ten dining table, 2020

Designer: **Christian Troels**

Manufacturer: **DK3**

£7,555

DESCRIPTION

Ten dining table by **Christian Troels** for **DK3**.

The Ten table is made of a solid wood table top on solid wood legs, a distinctive feature of the products included in DK3's 'Solid Wood' collection. The vertical ridges featured on its slim stilt-like legs add an element of lightness while holding a singular organic solid wood top. All pieces of the table come together to one sturdy and robust form.

Please see downloadable sheet for details of finishes.

All DK3's products are manufactured at DK3's joinery workshop in Denmark.
