Manufacturer: **Cappellini**

DESCRIPTION

Three Sofa de Luxe TSA/4 by Jasper Morrison for Cappellini.

Jasper Morrisons Three Sofa de Luxe plays with the concept of form and function. A sculptural statement piece, the sofa flouts the traditional role of a furnishing accent, commonly perceived as simply a seat.

The result is a unique design that is part sofa, part dormeuse, and defined by its powerful sinuous lines.

Designed in 1992, the range, which comprises several sofas and a lounge chair, is formed from poplar plywood, solid fir wood and padded with multi-density polyurethane foam.

Pricing example is for a sofa with a left arm and back rest, as seen on main image which on its own could be used as a chaise. Please view 'More products in the range' below, or enquire for more configurations of this extensive range.
