Tight Light, 2011

Designer: **Piero Lissoni**

Manufacturer: **Flos**

~~Was £290~~ Now £246

DESCRIPTION

Tight Light by **Piero Lissoni** for **Flos**.

The Tight Light is a minimal wall light that plays on the contrast and perspective of size. The clean white finish allows this light to adapt to any setting and the extruded aluminium case allows for direct and indirect light to illuminate any space.

DIMENSIONS

16w x 10d x 13cmh

MATERIALS

Body in painted extruded aluminium. Lateral friezes in pressofused aluminium turned up to 45° on digital control for perfect mating with the lamp body. Diffusers in injection printed PMMA with photo-engraved finish. Injection printed wall attachment in PA66. Multi-voltage power pack integrated in the body.

48 x top LED 2x10W 1989lm total 3000K CRI80

IP20.
